Hi Cindy,

I also added a picture of the basin and a link to the FIP sharepoint site. Aaron said you're not quite ready to enroll the UB team in filling in inspection/training/site visit dates into the calendar, so keep me posted. I understand what you're hoping for with the calendar, but I'm still not clear on what documents you want to populate the site with. I've got a ton of stuff from the past four years, so a little direction would be helpful.

Thanks,

Jody
